A place for friends.

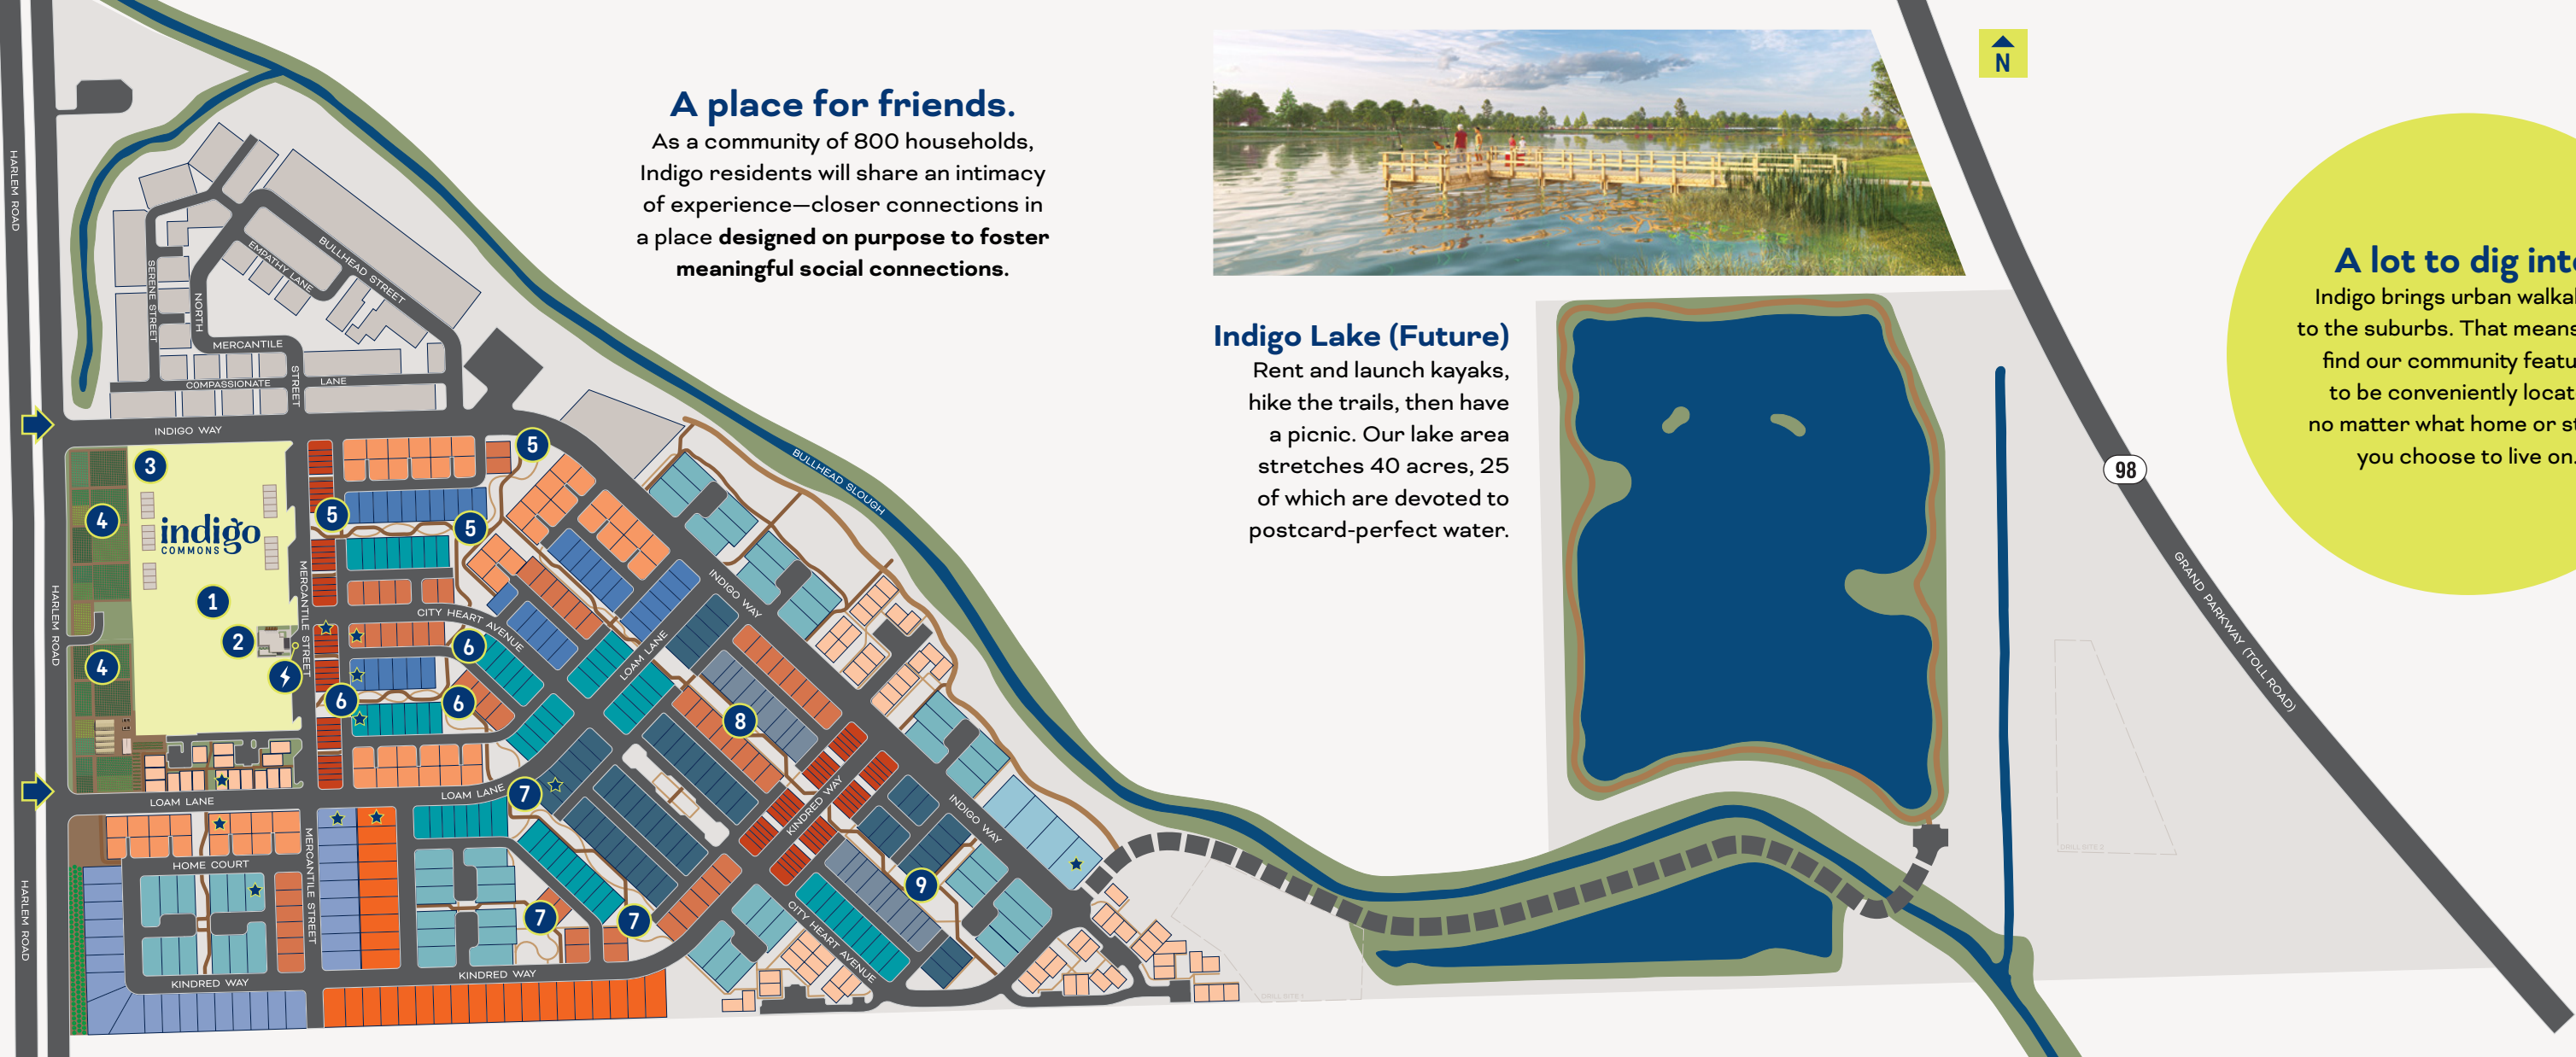

As a community of 800 households, Indigo residents will share an intimacy of experience—closer connections in a place **designed on purpose to foster meaningful social connections.**

Indigo Lake (Future)

Rent and launch kayaks, hike the trails, then have a picnic. Our lake area stretches 40 acres, 25 of which are devoted to postcard-perfect water.

A lot to dig into.

Indigo brings urban walkability to the suburbs. That means you'll find our community features to be conveniently located, no matter what home or street you choose to live on.

1 Indigo Commons RETAIL OPPORTUNITIES!

The heart of Indigo, our neighborhood town center will be a connected village of retail, small businesses, restaurants, and plenty of outdoor spaces to come as you are and stay awhile.

2 Della Coffee & Wine

It's all about warm welcomes and an elevated coffee experience that still feels like home. An expanded version of their Houston location, we'll have their crave worthy menu plus, a new wine and market experience.

3 SevenRidge Academy Preschool

Early learning academy intentionally developed for families seeking a calm, balanced, and future-focused foundation. Expected opening early 2027.

4 Indigo Farm

42 acres of our land are dedicated to agriculture. That includes crops you know and love, in addition to a livestock pasture including resident hens producing fresh eggs. Our shared acreage will also host farm education and plenty of opportunities for residents to get involved.

5 Somersault Mews

Somersault Mews is all about physical activity. It's home to the dog park, bocce ball court, natural playground, and passive lawns for recreation like playing catch, frisbee and tag. It will be the place for free-range kids to be kids.

6 Block Party Mews

Full bellied living is a way of life here, and Block Party Mews is just as it sounds—the place to gather with friends over good food and drink. Host your party outdoors with seating areas, herb gardens, fruit trees, and a community dinner table.

7 Meditation Mews (Future)

Find your special spot amongst private gardens of wispy grasses and twisting pathways. Perfect for those meditative moments or peaceful stroll, these tranquil spaces will engage all your senses with a zen garden and forest bathing park.

8 Beeline Mews (Future)

Relax and appreciate the sweet outdoors amongst a highly fragrant plant pallet that was chosen to engage insects and people alike. "Buzz off" takes on a whole new meaning in our pollinator gardens, with native grasses and wildflowers that will attract and support butterflies and bees.

9 Melody Mews (Future)

Enjoy the visual symphony. In Melody Mews, you'll find rhythmic patterns integrated into our shade structures, paving, and furniture.
