COMMUNITY MAP + TOUR GUIDE

#GOINDIGO

# A lot to dig into

Indigo brings urban walkability to the suburbs. That means you'll find our community features to be conveniently located, no matter what home or street you choose to live on.

Unique to Indigo, our network of mews are people-first, car-free green spaces where kids can play and friends and family can gather. Looking for something a little more splashy? Enjoy a hike and have a picnic at the 40-acre wetlands recreation area, including a 25-acre lake. Our trails system weaves throughout the entire community, intentionally linking all of these places, making them extra easy for you to enjoy. Bonus, even more trails and mews are slated for future phases in the community.

## 1 Indigo Commons

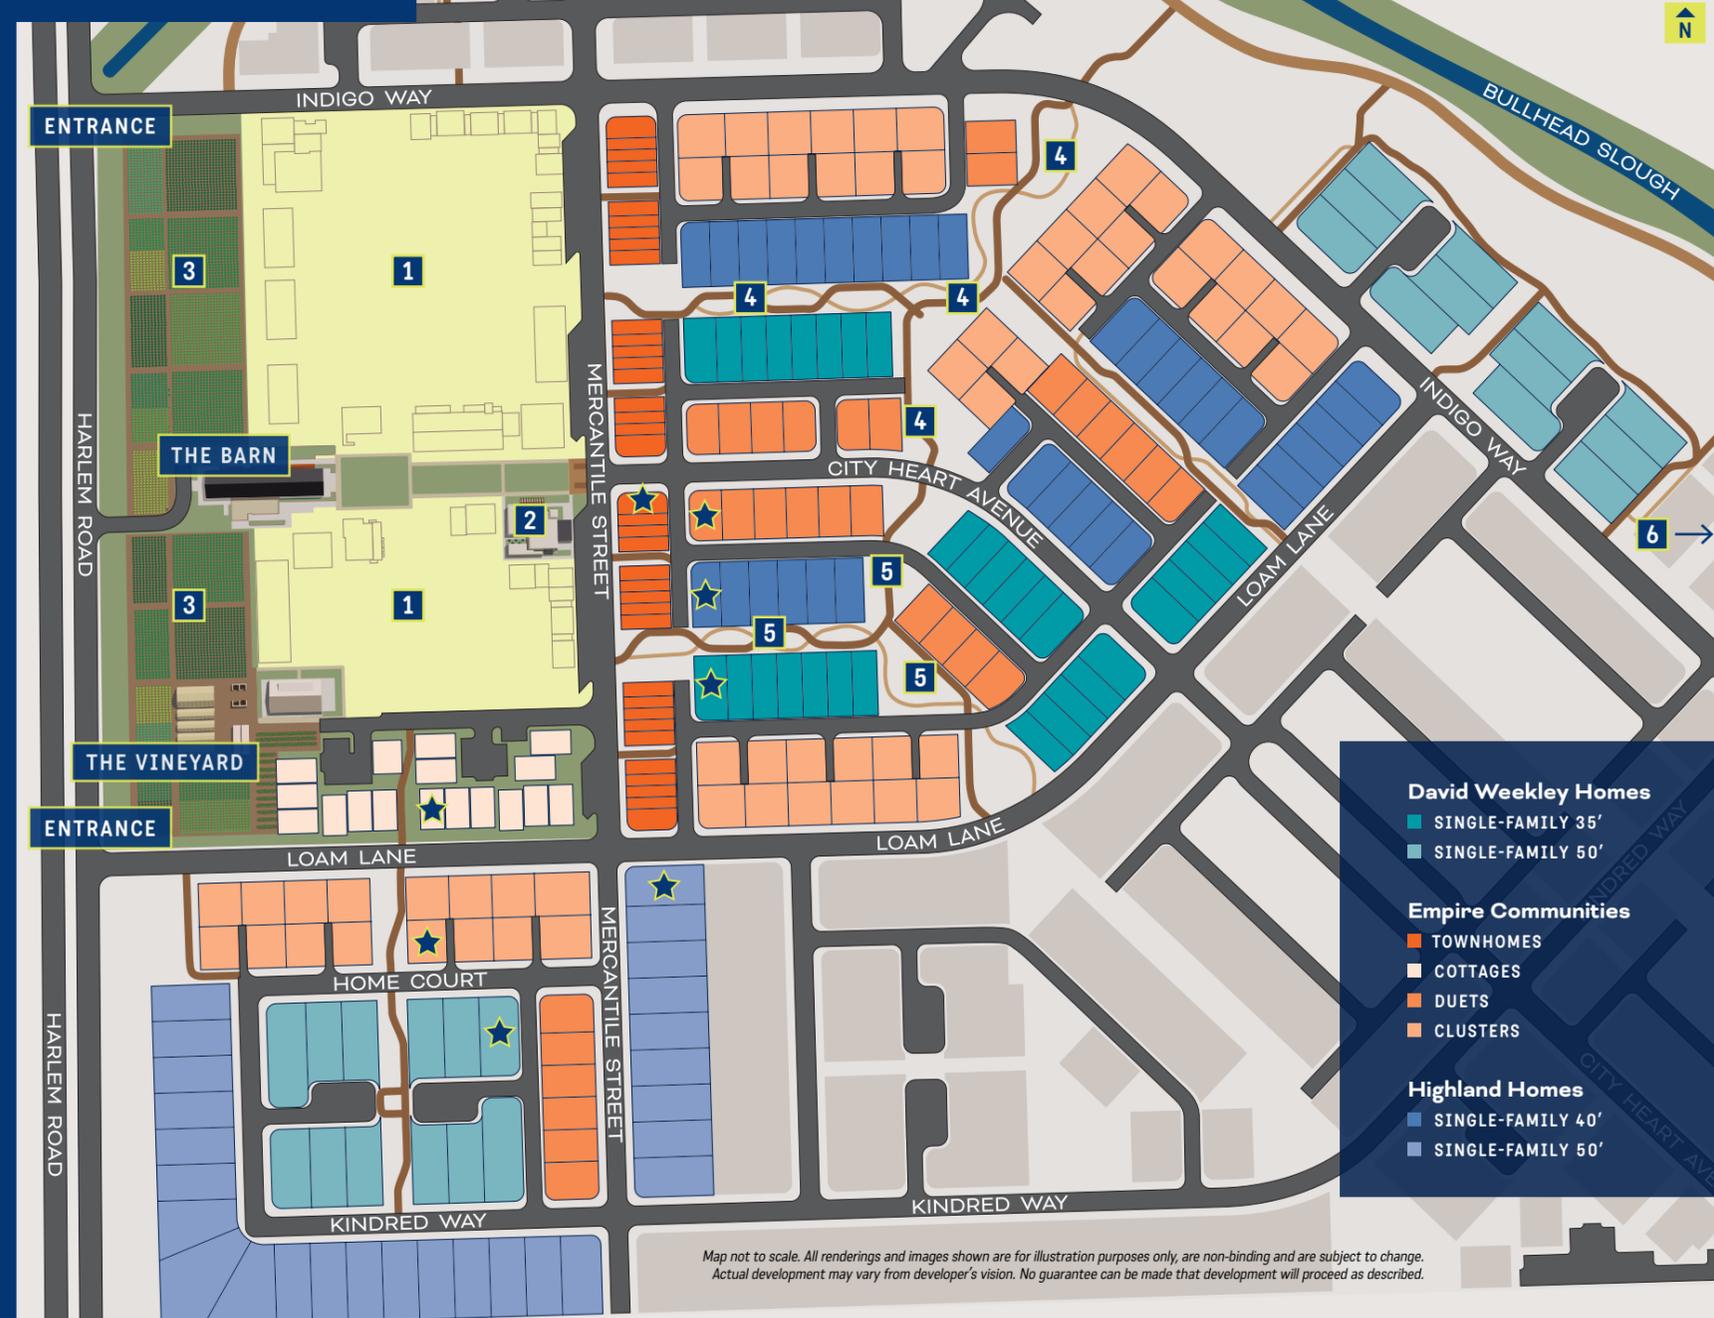

The heart of Indigo, our neighborhood town center is a connected village of retail, small businesses, restaurants, and plenty of outdoor spaces to come as you are and stay awhile.

## 2 The Filling Station

Make this your first stop on the neighborhood tour. Inspired by classic gas stations of the '30s, this general store will be stocked with coffee, local goodies, grab-and-go meals, and more. Grab a community map, then go explore Indigo.

## PHASE ONE OFFERINGS

## 3 Urban Farm

42 acres of land dedicated to agriculture—including crops you know and love—in addition to a livestock pasture. Our shared acreage will also host farm education, a chef's table, and plenty of opportunities for residents to get involved.

## 4 Somersault Mews

Keep moving with a large yoga lawn, bocce ball courts, and a dog park.

## 5 Block Party Mews

Get cooking! Meander through herb gardens and fruit trees anchored by an outdoor kitchen for the whole neighborhood to use freely—plus, play areas for the kiddos.

## 6 Indigo Lake

Hike the trails, then have a picnic. Our lake area stretches 40 acres, 25 of which are devoted to postcard-perfect water.
